

KID-MAN GRIP Powder-Free Nitrile Gloves

KID-MAN GRIP gloves are designed for professionals working in demanding environments. Made from flexible and durable nitrile, these gloves are twice as thick as standard thin nitrile gloves, offering enhanced protection. The unique diamond 3D texture ensures a secure grip, even when handling wet or oily items.

MAIN FEATURES

- **Strong grip** – the diamond texture provides stability in greasy and wet environments.
- **Comfortable wear** – inner texture reduces hand sweating.
- **High protection** – shields against select chemicals, bacteria, viruses, and fungi.
- **Durability** – less wear and tear than standard nitrile gloves.
- **Food-safe** – approved for food processing applications.
