Index	Article name
77-190	Clinex Textile EXT 1L
77-191	Clinex Textile EXT 5L

Properties:

Professional, concentrated preparation for extractive washing of carpets, floor coverings, upholstery and car upholstery. Provides an excellent cleaning effect, removes dirt and stains from the deeper layers of the fabric. It has cleaning and degreasing properties and prevents redeposition. Cares for and revives the color of the cleaned textiles. Works perfectly even in cold and hard water. Designed for machine washing with the use of washing machines and vacuum cleaners.

Instructions for use:

1. Dilute the product with water 1:5 or 1:10 depending on the degree of soiling
2. Thoroughly vacuum the carpet and raise the fleece
3. Perform a color fastness test by applying the preparation in an invisible place
4. Remove local greasy stains chewing gum, etc.
5. Spray the carpet with prespray and wait a few minutes
6. Rub the prespray by machine or by hand
7. Rinse extractively – comb the carpet in one direction
8. Take care of drying conditions
