Properties:

A modern preparation designed to neutralize unpleasant odors. Contains active silver nanoparticles, which, together with other ingredients, give the preparation a unique ability to eliminate unpleasant kitchen odors, sanitary odors, the smell of tobacco smoke, car exhaust fumes, sweat, putrid odors and faint odors of animal (dog, cat, horse) and plant odors. Completely removes not only the effects, but most of all the causes of their formation. It does not leave stains. Available in two fragrance versions.

Instructions for use:

1. Shake well before use
2. Spray in the air by directing the stream upwards or in the place of unpleasant odors
