# **Clinex Gastro Steel**

Stainless steel cleaner

- Effectively removes dust, greasy stains & any stains
- Does not scratch cleaned surfaces
- Gives shine without leaving streaks
- Unifies the surface to be cleaned
- Restores the natural color of the material
- Leaves a refreshing, lemon scent

# **Properties:**

An acidic washing preparation intended for cleaning all kinds of surfaces and devices made of stainless steel. The agent has excellent cleaning and degreasing properties. Removes scale, rust stains, stubborn dirt and grease. Thanks to a specially developed formula, it is used in many industries, gastronomy and households. It is recommended for cleaning cookers, tables, hoods, washbasins, sinks, bathtubs, etc. It has a neutral smell.

........

#### Instructions for use:

- 1. Shake well before
- 2. Spray a small amount of the agent on the dry cleaned surface.
- 3. Evenly distribute and wipe dry until natural shine then rinse abundantly with clean water and wipe dry.
