## Properties:

The product is dedicated to the daily cleaning of wooden furniture and laminate flooring. It is a concentrated liquid for cleaning and care of waterproof floors, which dries quickly, leaving no streaks or stains on the washed surface. Modern technology protects the cleaned surfaces against redeposition, which makes it much easier to keep them clean. It gives a delicate shine to the washed surfaces. Additionally, the liquid deepens the natural color of the floor. It leaves a pleasant, citrus scent. The liquid is intended for manual washing.

## Instructions for use:

1. Shake well before use
2. Depending on the frequency of washing and degree dirt on the surfaces to be cleaned, use appropriate dilutions:  
For daily care - dilution:  
25 - 50 ml/10 L of water  
Removal of strong dirt - dilution:  
100 ml / 10 L of water
3. Wash the surface with the prepared solution, using a mop or cloth

## Information & applications

## NOTE:

- For professional use only.
- Do not wet the panels. The mop should only be slightly damp, well squeezed.
- In the case of long-term use of the product, depending on the needs, it is recommended to wash the surface with water to neutralize it.
- With time, the product may change color. This is not a product defect and does not affect the quality or the washing properties of the product.

## SAFETY:

- Do not mix with other products.
- See the safety data sheet for additional product information.

## STORAGE CONDITIONS:

- Store the product at 5 to 30°C.
- Store in original, sealed packaging only.

The Seller shall not be liable for any use of the product against its intended purpose.
