77-701 Clinex Profit Glass 1L

77-702 Clinex Profit Glass 5L

Properties:

Superconcentrate for cleaning glass, mirrors, crystals, enamelled and laminated surfaces, as well as stainless steel components. Extremely effective and reliable. It removes even the most durable, dried dirt, fat and even insects. High quality guarantees crystal clear, shiny glass. It spreads easily and dries quickly without leaving streaks or stains. The formula of the liquid, enriched with antistatic agents, protects the surface against re-soiling, which shortens the process of subsequent washing. Suitable for use in automatic window washers.

Instructions for use:

1. Shake well before use.
2. Depending on the degree of soiling of the surface to be cleaned, use a solution of 0.3-2% (30-200 ml/10 L of water).
3. The working solution should be used within 24 hours.
