77-714 Clinex Profit Uni

Properties:

Highly concentrated, universal washing liquid all kinds of washable surfaces. Preparation effectively removes dust, dirt and other dirt resulting from everyday use, without leaving streaks and stains. Thanks to the use of protective and antistatic additives, it delays the effect of re-deposition of dirt, facilitating the process of subsequent washing. Designed for washing hotel rooms, offices, consumption rooms in restaurants and other public utility rooms. It gives a fresh and long-lasting fragrance.

Instructions for use:

1. Depending on the degree of soiling of the surface to be cleaned, use appropriate dilutions:
 - Thorough cleaning: use a solution from 1-3% (100-300 ml/10 L of water).
 - Moderate dirt: use a solution from 0.5-1% (50-100 ml/10 L of water).
 - Current cleaning: use a solution from 0.1-0.5% (10-50 ml/10 L of water)
2. The working solution should be used within 24
