## Properties:

Highly concentrated oil remover dirt from all washable surfaces. The preparation has excellent degreasing properties. Dissolves fats on all types of washable surfaces. The time of cleaning catering equipment, countertops, stoves, kitchen hoods, and other washable surfaces is perfect. It does not leave stains and streaks. It leaves a fresh, long-lasting smell.

## Instructions for use:

1. Depending on the degree of soiling of the cleaned surface, use appropriate dilutions:

Thorough cleaning: use a solution from 1-3% (100-300 ml/10 L of water).

Moderate dirt: use a solution from 0.5-1% (50-100 ml/10 L of water).

Current cleaning: use a solution from 0.1-0.5% (10-50 ml/10 L of water).

2. The working solution should be used within 24
