

CLINEX Green Multi

An ecological, universal washing preparation

- Very effective and safe for cleaned surfaces - ECO LABEL certificate
- Has anti-corrosion properties
- Removes unpleasant odors
- Perfect for cleaning stainless steel

Available Packaging: Index 77-915 Article name Clinex Green Multi 1 L

Properties:

Ecological, ready-to-use preparation for removing all typical and greasy dirt. The preparation dissolves strong and stubborn oil and fat stains, burnt food residues, without leaving streaks and stains on the cleaned surfaces. Recommended for cleaning all types of hard surfaces in the kitchen and gastronomy as well as other washable surfaces, such as: countertops, windowsills, tables, walls, floors, window frames, housings of kitchen and office appliances. It has a pleasant, fresh scent. The product is not intended for cleaning large surfaces. Correct dosage and the lowest recommended temperature will result in less water and energy consumption and less water pollution.

Instructions for use:

1. Shake well before use.
2. Apply the preparation directly to the cleaned surface, wait about 1 minute to release the dirt.
3. Wipe dry with a clean cloth. In case of necessity, repeat the operation.
